GIARDINO

ASCONA

The soul retreat

The name that now unites all Giardino retreats and resorts was born here. The trendy, Mediterranean-style hotel is nestled in lush southerly parkland close to Lago Maggiore. Lavender, broom, mimosa, lemon and olive trees thrive in the garden, which is the green heart of this well-established retreat. Pools, bars, lounges, day beds and sun loungers blend in with the scenery, inviting guests to contemplate and unwind. The 72 luxuriously appointed rooms and suites are spacious, feel-good escapes. Exclusive designer furnishings and decorative touches in warm, earthy tones reflect the modern lifestyle of the guests and their desire for contemporary luxury and relaxation.
